1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-20 are rejected under 35 U.S.C. 102(b) as being anticipated by Srinivasan (6460076).

Srinivasan discloses the automated rental of items over the Internet. The method includes generating a price for the items, displaying this to the customer, and receiving a request to purchase an item. Selected items can then be downloaded to the customer.
